

Consent, for the interviewer, to the interview and to the use of the information given

Title : Foreign students or workers that change country and have to integrate into a new context.

I have been informed about the research project and how my contribution can be used. It was explained to me how the transcription of the interview, and / or listening to the related audio / video recording, will be kept confidential, except for my consent to make it public.

My contribution will be kept in a safe place, and access will only be allowed to those who receive permission from the interviewer.

I am aware that I can withdraw my consent at any time by informing the interviewer

With this I assign the copyright to the interviewer and curator
